

PROVINCIAL MIXED PAIRS CHAMPIONSHIPS

Oak Bay Lawn Bowling Club will host the 2018 BC Provincial Mixed Pairs Championships from August 17 to 19. Details are still being worked out but all club members who will be available that weekend are asked to keep these dates in mind for when a call is made for volunteers.

The number of teams entered will be known following the cutoff date of August 7.

This will be an opportunity for some club members to participate as competitors while others will have an opportunity to contribute to the event's success through a variety of support roles. Al Wood is the tournament chair.

Stay tuned. Further information will be provided once it becomes available.
